„YOU go first!"

James pushed Lars forward, blocking the Dane's escaping attempts with his broad shoulders.

Lars rammed his elbow into James' ribcage then kicked his shin.

"No, YOU go first! You're taller."

James squeaked, hopping on his good leg while holding his ribcage.

He kneed Lars' ass.

"YOU go!"

"NO! I'm just a bite for the monster," Lars whined, rubbing his ass. "It'll swallow me in one. I'm too small!"

"That's not my fault, pipsqueak. YOU GO!"

"Gentlemen?"

The security guy waved them over.

"The Full Body Scanner is out of order. We are doing personal body checks today."
